SHIKIBUTONS + KAKEBUTONS

A **shikibuton** is a traditional Japanese futon mattress, designed to be placed directly on a tatami mat or a flat surface. Shiga's Imports Shiki Futons are manufactured by Kashu Sales, are filled with all cotton fibers

A **kakebuton** is a Japanese duvet, traditionally filled with soft cotton or goose down or a combination, offering warmth and breathability throughout the seasons. Shiga's Imports manufacturing partner, Kashu Sales, has created a unique blend of cotton & polyester fibers to bring a traditional Japanese concept to America

Together, the shikibuton and kakebuton create a **traditional** Japanese sleep setup
